About Us

Built on passion. Rooted in innovation.

Since establishing in 2006, Taylormade Landscapes, LLC has been creating and maintaining beautiful properties throughout the Las Vegas Valley. Jamel and Wendy Taylor started this family-owned business with the aspirations of having a reliable and professional choice for those seeking a landscape contractor. Integrity and honesty are qualities that we stand by and value. Continued education throughout the company keeps us ahead of the curve and gives our staff the ability to provide superior quality and service to all of our clients. We treat our clients like family and with this philosophy we continue to grow and sustain long relationships.

We greatly appreciate your consideration for Taylormade Landscapes, LLC and look forward to TAYLORING YOUR LANDSCAPE TO A 'T'.

Our Capabilities

FULLY CUSTOMIZED DESIGNING & PLANNING

Tailored landscape plans that account for layout, land contour, drainage, and your unique vision from concept to layout.

HARDSCAPING & CONSTRUCTION

We build paver patios, walkways, retaining walls, water features, fire pits and outdoor living features that are both beautiful and built to last.

IRRIGATION, LIGHTING & SOFTSCAPING

Smart irrigation, landscape lighting, and plantings, designed to enhance curb appeal and ensure sustainable plant development.

LICENSED, INSURED & BONDED

Fully certified and compliant for your peace of mind. Delivering professionalism, reliability, and service you can trust.

Our Qualifications

Taylormade Landscapes, LLC takes pride in being a trusted leader in the Las Vegas landscaping industry. Our accreditations and respected association memberships highlight our ongoing commitment to quality and professionalism. As a fully licensed, bonded, and insured contractor, we ensure every project is completed with the highest standards, giving you complete confidence and peace of mind.

Client Journey

Taylormade Landscapes, LLC Experience

7 Step Process

1. Contact us via phone, email, or website. We would like to learn more about your project
2. Fill out our project questionnaire. Book a consultation & receive a confirmation. Meet the Taylormade Landscapes family in our intro video and get ready to transform your outdoor living space.
3. At the consultation we'll discuss "Tailoring" your outdoor living space (goals, scope of work & budget range). Our Outdoor Living Specialist will be onsite for approx. 60min. to take pictures, videos and measurements.
4. Receive your estimate with video explanation. **Optional 2D or 3D rendering and pictures starting at \$500. Up to 3 revisions.**
5. Once satisfied with the estimate and design, the client signs and approves through our secured electronic portal. Online deposit invoice is initiated.
6. Onsite walk through to confirm details, project begins & materials are delivered. Progress payments are due as agreed per contract. Regular visits by assigned Project Specialist.
7. Final walk through scheduled and final invoice given. Client Testimonial requested. Congratulations on your new Outdoor Living Space! We are thrilled to welcome you into the Taylormade Landscapes, LLC family!

Project Portfolio

SPRING VALLEY

Here is a sleek in-ground trampoline installed within a yard of vibrant synthetic turf, blending seamlessly into the landscape for a clean and safe design. The safety net enclosure provides added protection

SUMMERLIN WEST

This Modern rectangular stone fire pit incorporates a sleek black cap and integrated lighting, set on a multi-toned paver patio.

SUMMERLIN

This backyard splash pad features playful water elements like a spray umbrella and flower sprayer, surrounded by synthetic turf and pavers for a clean, low-maintenance design.

HENDERSON

This outdoor living space features a modern pergola with bistro lights, cozy lounge furniture, and a paver patio bordered by low-maintenance synthetic turf.

Project Portfolio

CENTENNIAL HILLS

This simple backyard features a water wall feature, accent walls and synthetic turf for a relaxing and aesthetic feel.

SUMMERLIN WEST

This modern backyard features a sleek pool, a fire feature, outdoor kitchen, inground trampoline, lush greenery, and elegant stone finishes, creating a stylish space for relaxation and entertaining.

PROVIDENCE

This modern patio features a stone fire pit, geometric turf stepping pads, and accent lighting for a clean, contemporary look.

THE RIDGES

This backyard retreat combines a tranquil Buddha water feature, sunken fire lounge, and modern outdoor kitchen under a sleek pergola, creating a harmonious space for comfort and entertaining.

Spring Valley

This in-ground trampoline is built directly into the landscape with synthetic turf for a smooth, polished look. Designed with a secure safety net, it delivers a stylish, low-maintenance play space that's perfect for families to enjoy year-round.

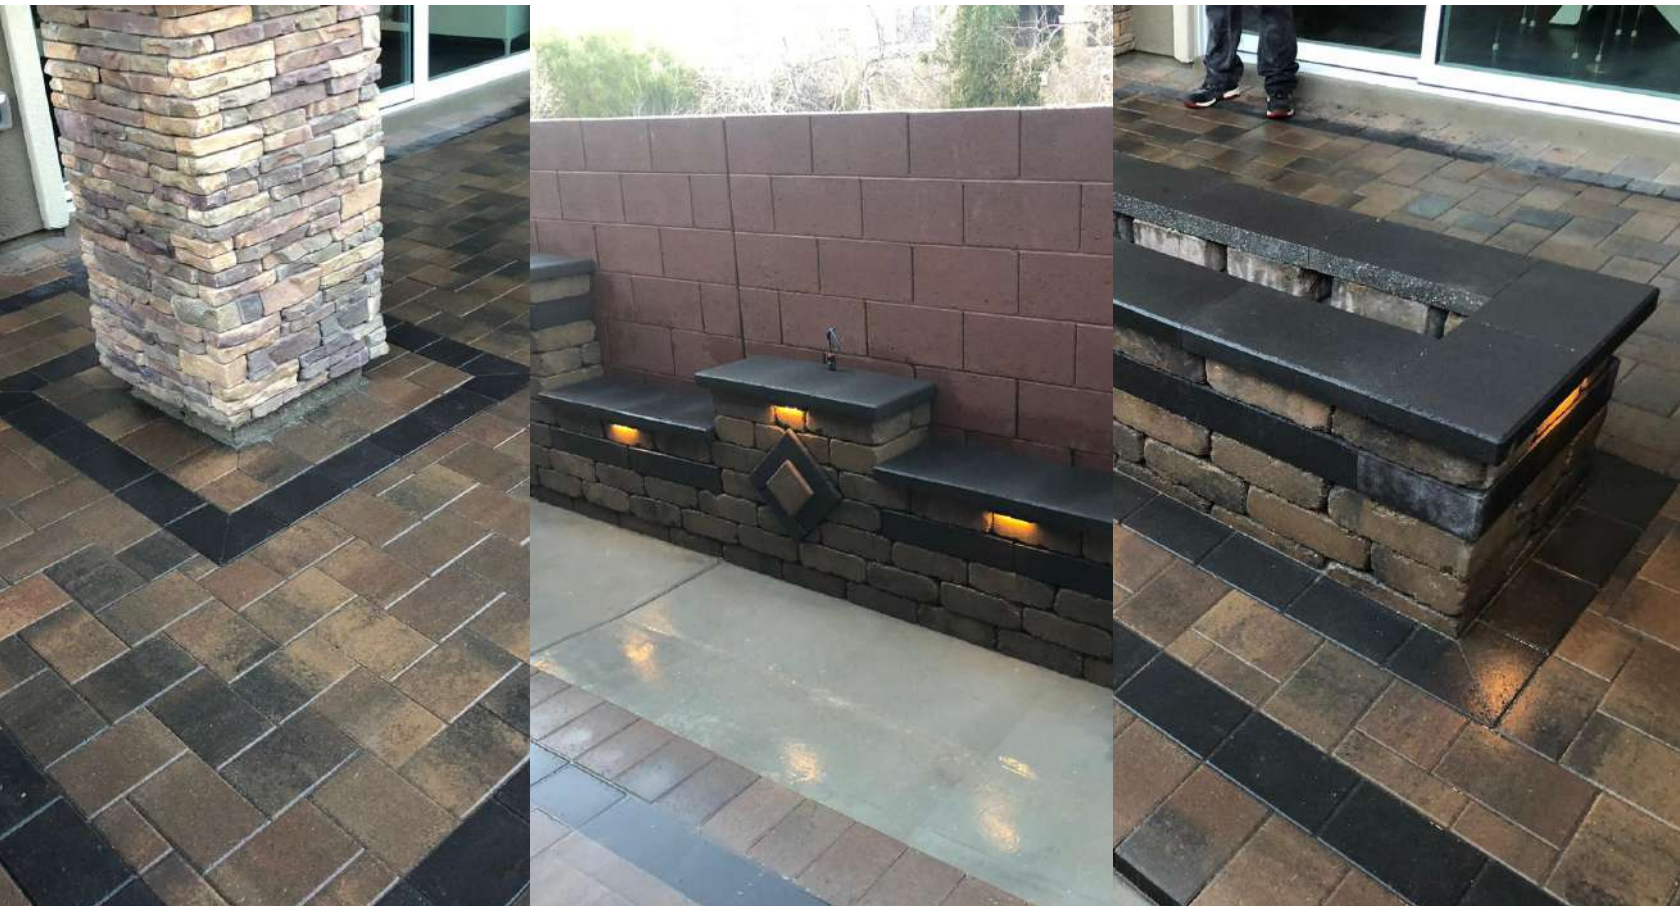

PROJECT HIGHLIGHTS

- Safety net enclosure for secure play and peace of mind
- Synthetic turf surrounding for soft and easy transition in and out of enclosure
- Keeps backyard open and uncluttered compared to above-ground trampolines

2025	2 days	\$7500
Year Completed	Completion Time	Project Cost

Summerlin West

This photo showcases a sleek rectangular fire feature built with stacked stone and finished with smooth black caps for a clean, modern look. Set within a multi-toned paver patio, the fire pit is accented by integrated lighting that highlights the craftsmanship and adds warmth to the outdoor living space.

PROJECT HIGHLIGHTS

- Sleek fire feature built with block and smooth black contemporary caps
- Subtle built-in lights add warmth
- Multiple colors and textures for layers and dimension

\$16,500

Project Cost

Summerlin

This backyard features a fun and family-friendly splash pad with interactive water features, including a mushroom-shaped spray umbrella and a colorful flower sprayer. Surrounded by synthetic turf and bordered with pavers, the design blends playful functionality with a clean, low-maintenance landscape, creating the perfect space for kids to cool off and enjoy outdoor play.

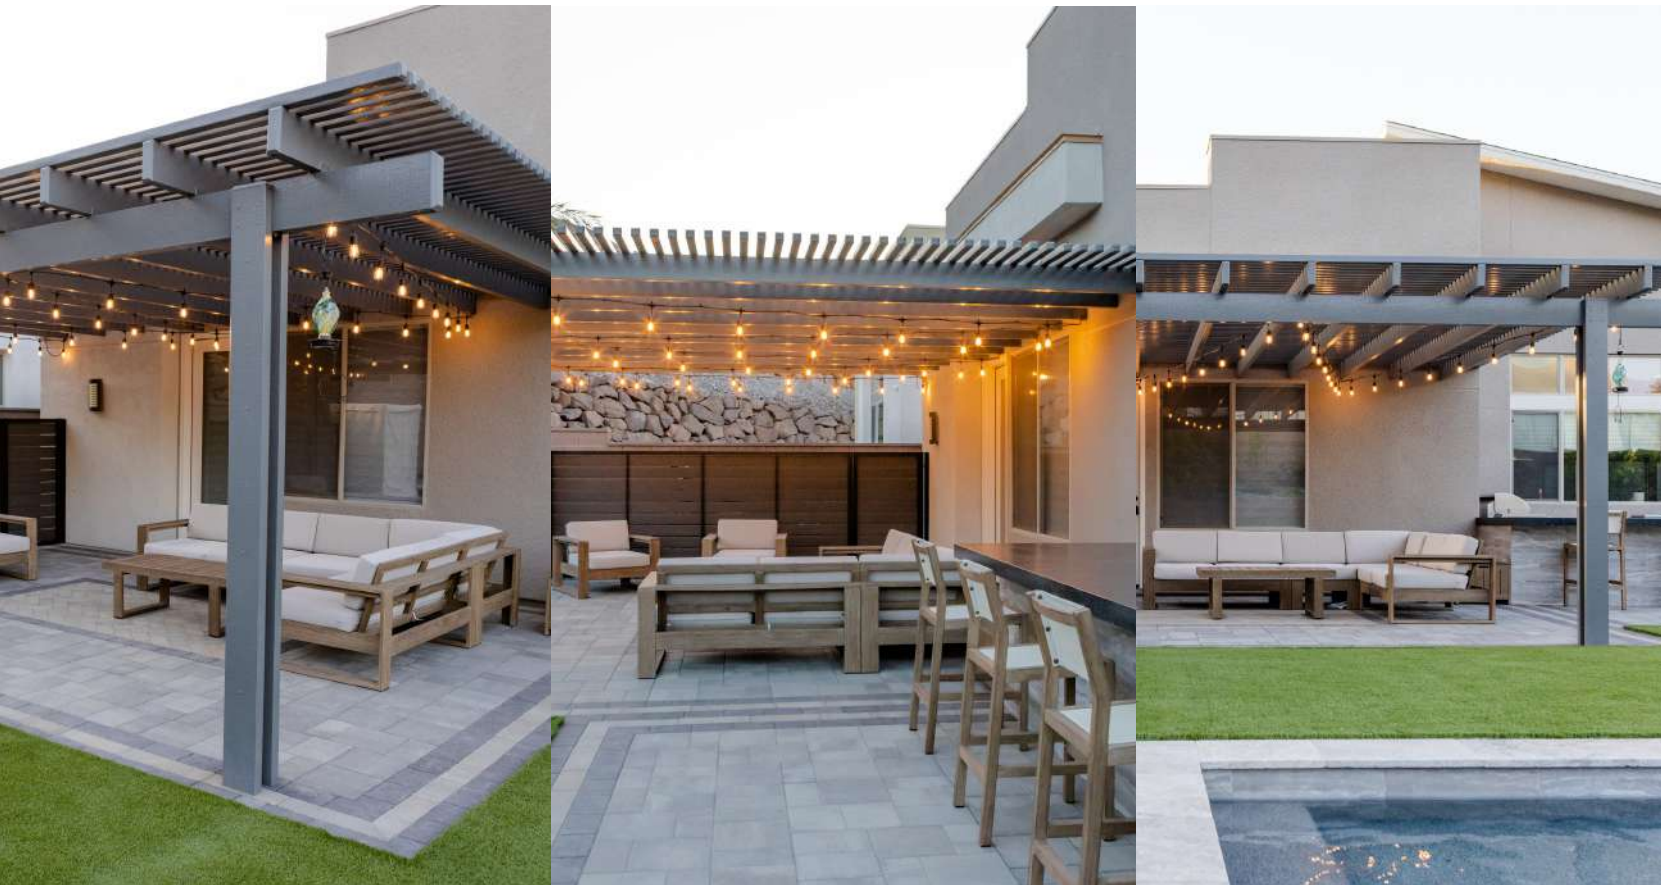

PROJECT HIGHLIGHTS

- Includes a spray umbrella and flower sprayer for endless family fun
- Synthetic turf and pavers for durability and easy upkeep.
- Low maintenance and cost effective water feature

2023	8 days	\$41,190
Year Completed	Completion Time	Project Cost

Henderson

This project showcases a stylish outdoor living space featuring a modern gray pergola strung with bistro lights, creating an inviting ambiance for evening gatherings. Beneath the pergola, cushioned wooden lounge furniture sits on a paver patio with elegant border detailing, while synthetic turf softens the surrounding landscape for a clean, low-maintenance finish.

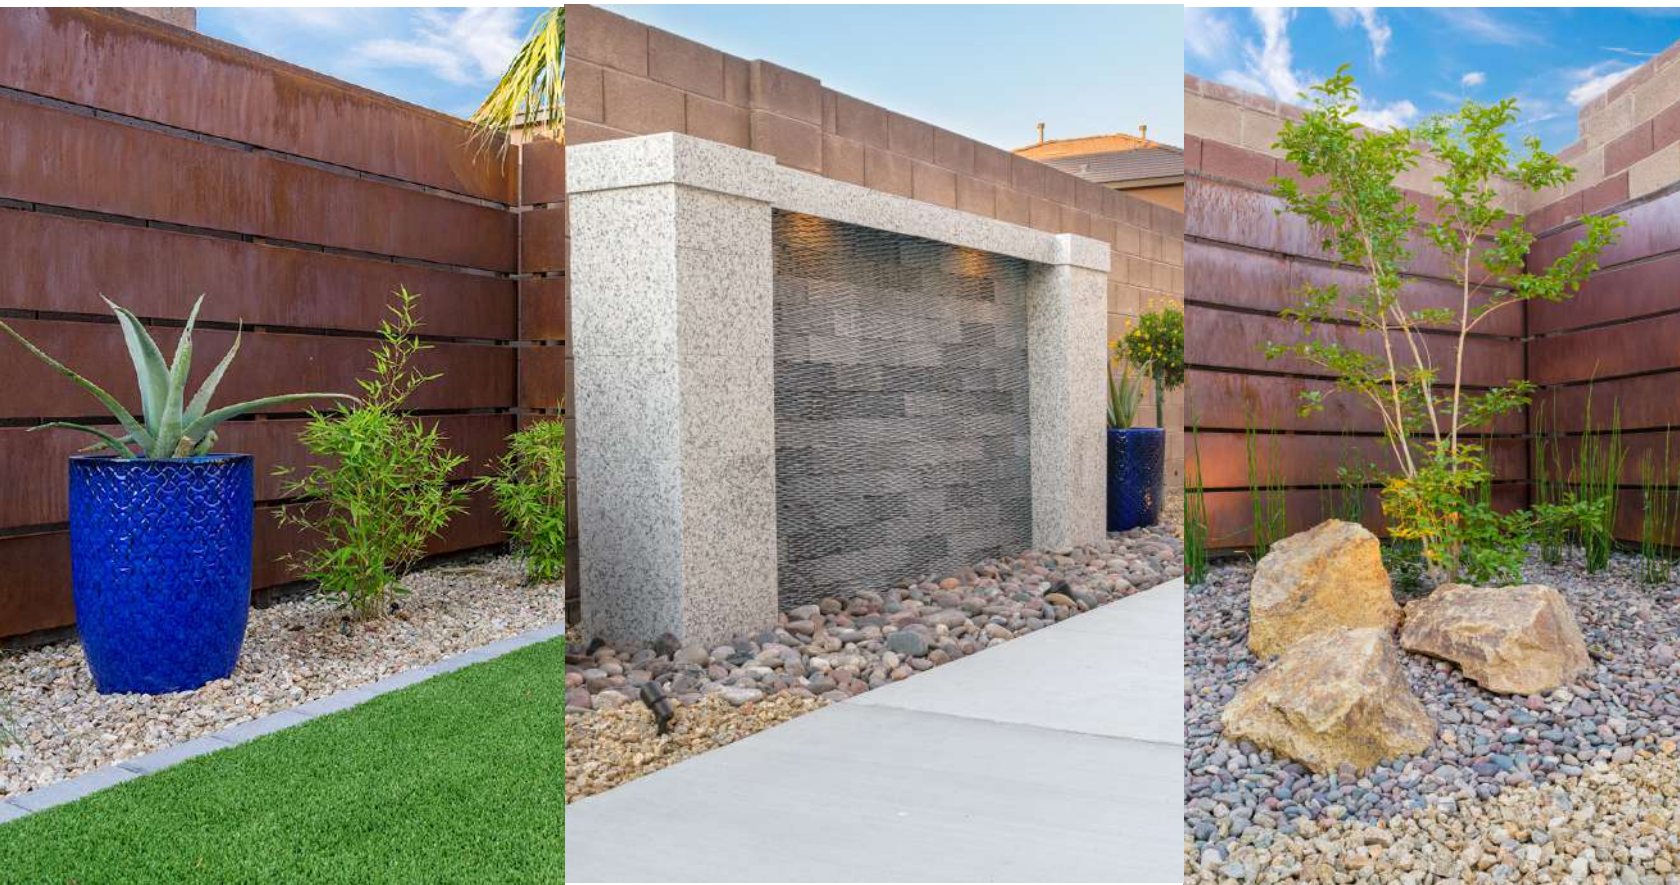

PROJECT HIGHLIGHTS

- Sleek structure with bistro for evening ambiance
- Cushioned seating arranged on a stylish paver patio
- Synthetic turf adds greenery with easy upkeep

2024	10 Days	\$51,200
Year Completed	Completion Time	Project Cost

Centennial Hills

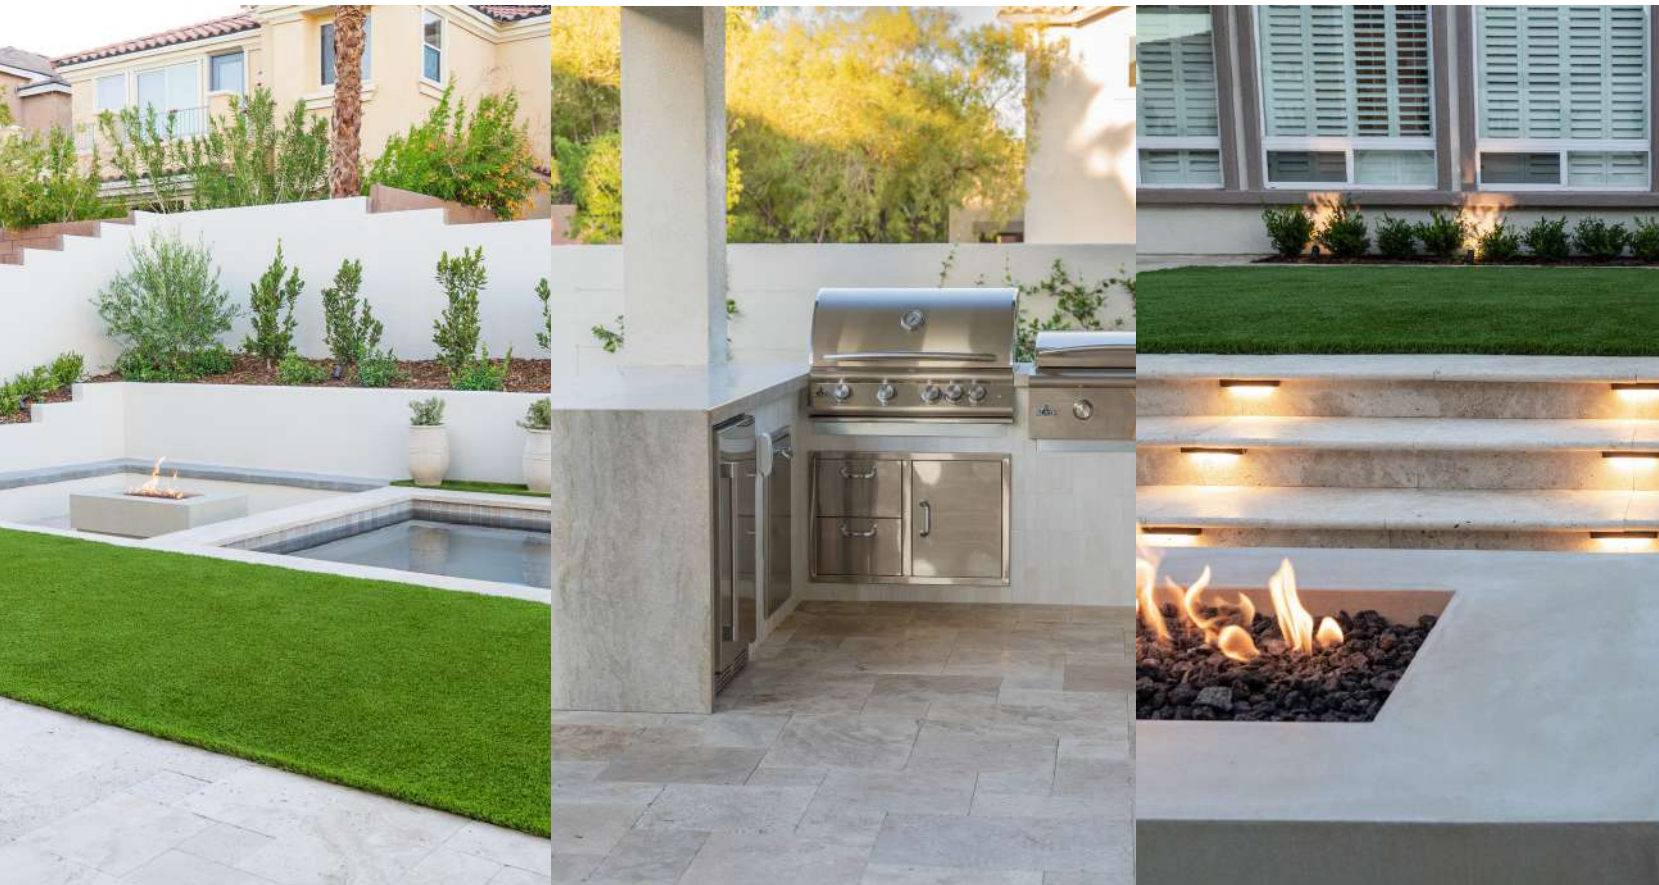

This contemporary backyard features a sleek water wall framed in granite, with smooth river rocks at its base adding natural texture. Vibrant cobalt blue planters filled with succulents and ornamental trees create bold pops of color against the neutral tones of the block wall and concrete patio. Desert-friendly landscaping with synthetic turf enhances the design, blending elegance with functionality.

2021	6 days	\$18,215
Year Completed	Completion Time	Project Cost

PROJECT HIGHLIGHTS

- Installed a granite covered waterwall for a peaceful sound
- Installed patina accent panels for a rustic contrast
- Added bold blue pots for a blast of color and appeal.

Summerlin West

This sleek front yard upgrade enhances curb appeal with clean lines and minimalist design. We installed premium synthetic turf for a lush, low-maintenance lawn and added decorative rock beds for contrast and drainage. The entryway was restructured with a straight path and concrete accents emphasizing the home's modern architecture

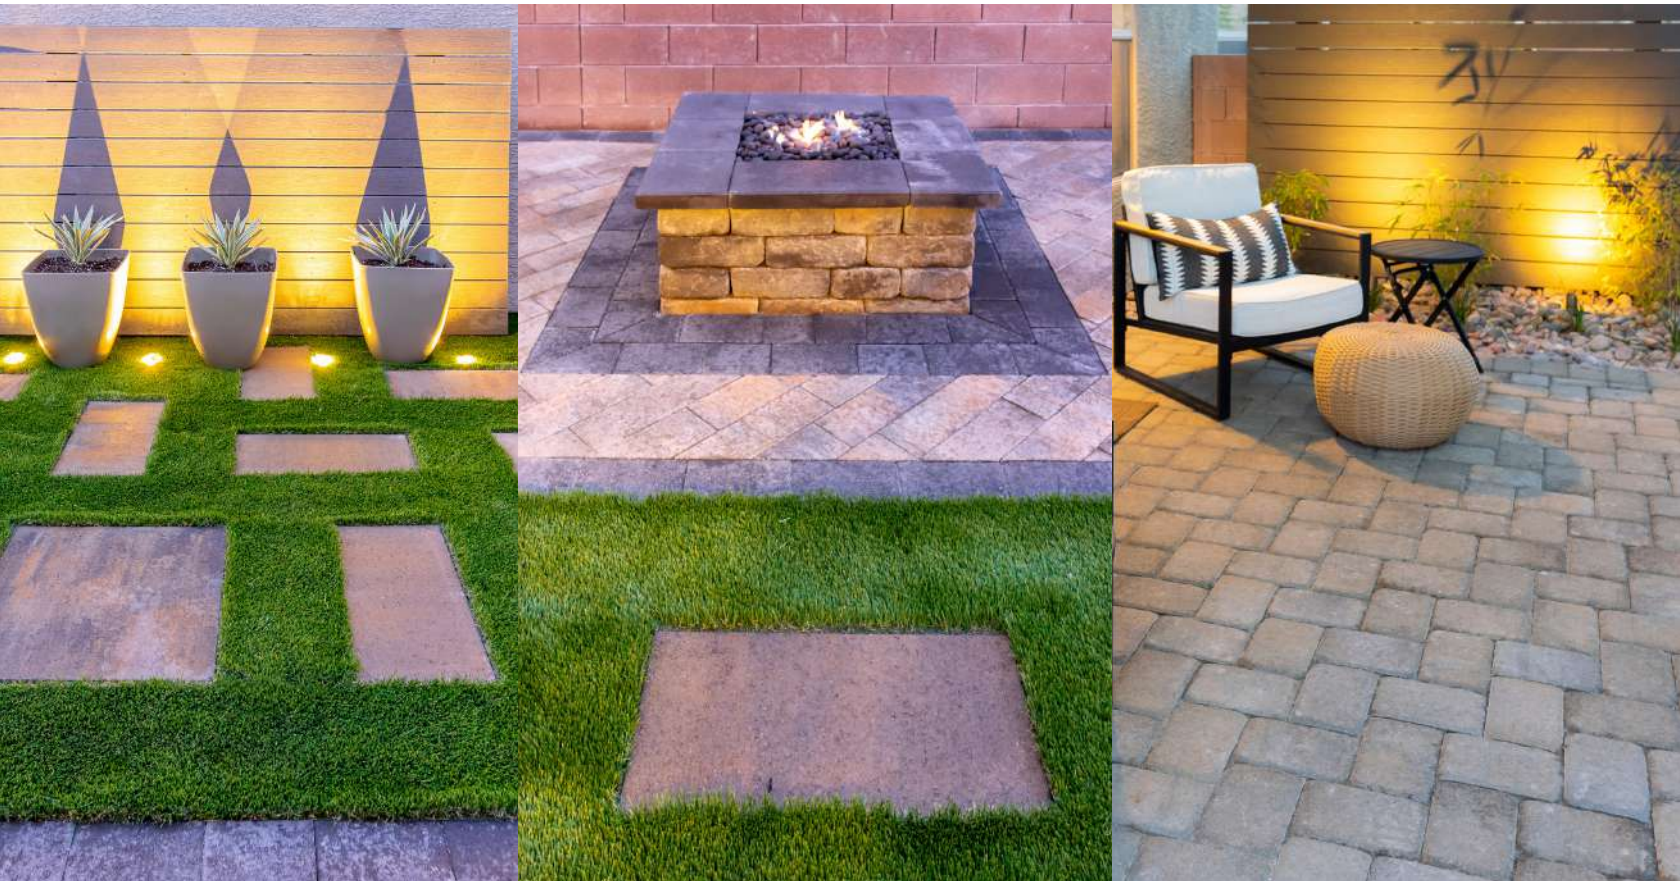

PROJECT HIGHLIGHTS

- Installed recessed fire pit area with lighting
- Installed custom outdoor kitchen with waterfall edge
- Added inground trampoline for kids activity

2025	74 Days	\$216,725
Year Completed	Completion Time	Project Cost

Providence

This modern backyard combines fire, hardscapes, and greenery into a sleek outdoor living space, anchored by a custom fire pit, river rock and pavers in a clean geometric pattern. Stepping stones set within synthetic turf form a striking checkerboard design, while sculptural planters with agave are illuminated by lighting to cast shadows against an accent wall.

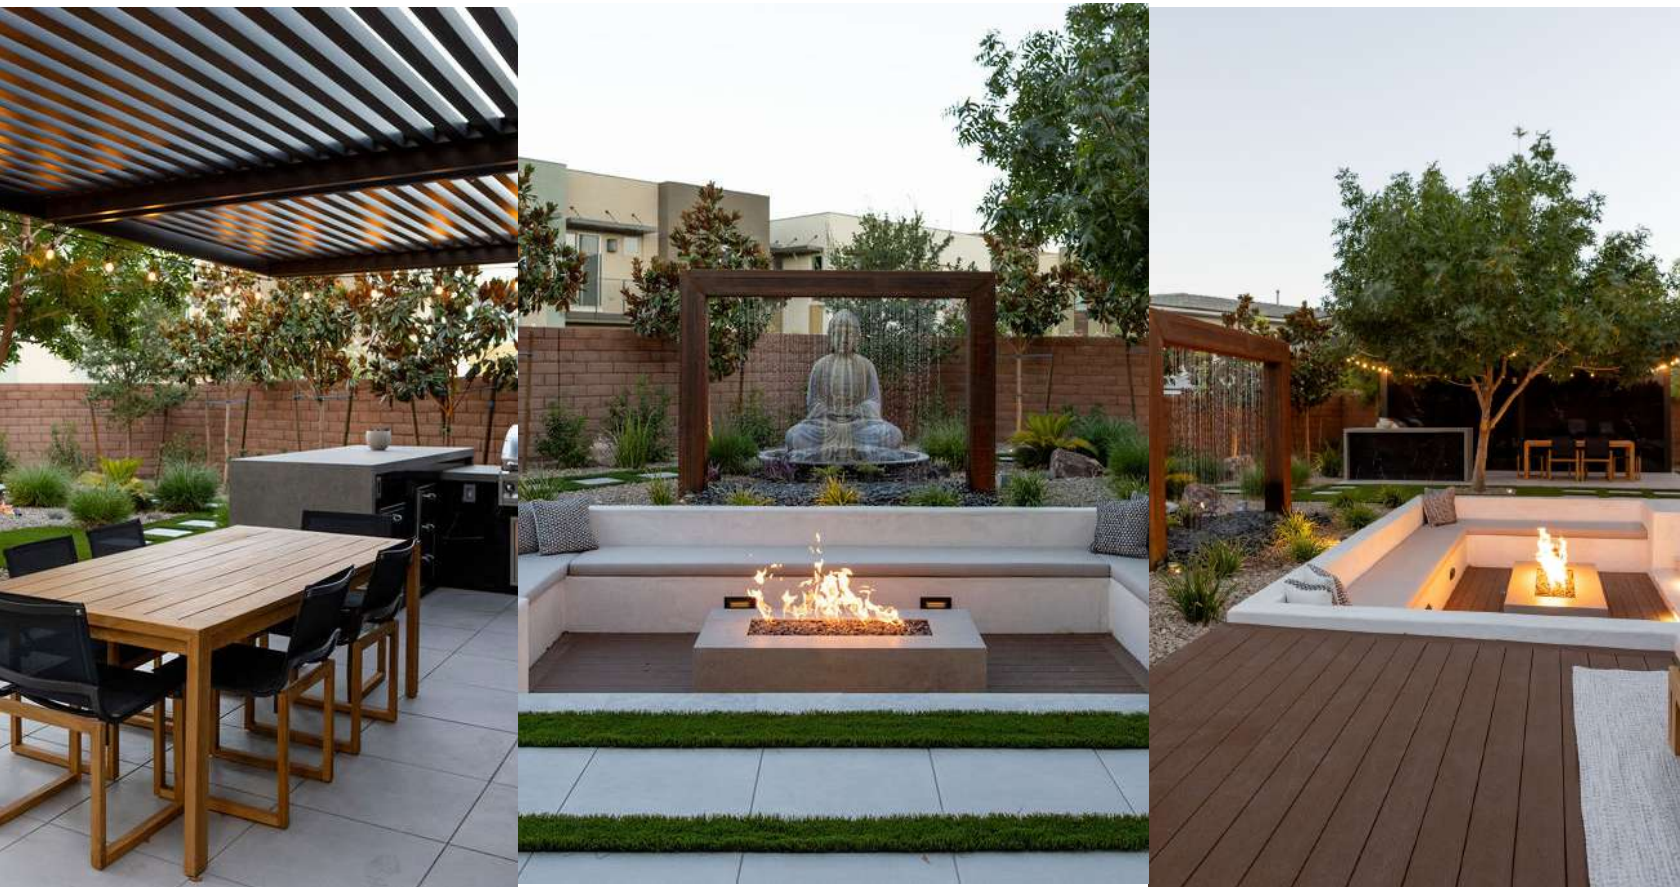

PROJECT HIGHLIGHTS

- Installed synthetic turf with different size pavers for accent
- Built custom fire feature with paver patio for lounging
- Vertical composite accent walls as a backdrop

2023	7 Days	\$24,195
Year Completed	Completion Time	Project Cost

The Ridges

This custom backyard transformation blended comfort and functionality with modern finishes. We designed and installed an open lounge area, created a natural round fireplace with beautiful stone surround, and laid a multi-textured paver patio with curved turf inlays. The design creates the perfect space for year-round entertaining.

PROJECT HIGHLIGHTS

- Created multiple outdoor rooms with distinct textures
- Added custom rain curtain as an art piece and for a soothing sound
- Recessed fire pit area for relaxing conversations

2024	69 days	\$255,240
Year Completed	Completion Time	Project Cost

Client Testimonials

CLIENT REVIEW

From start to finish, the entire experience was excellent! The crew showed up on time, were courteous, professional, and clearly took pride in their work. ”

CLIENT REVIEW

Fantastic company to work with! The in ground trampolines they install are top of the line and their work is second to none! Highly recommend! ”

CLIENT REVIEW

We strongly recommend Taylormade Landscapes! Our entire experience was excellent, from planning and bidding, to build out and punch list details. ”

CLIENT REVIEW

The Taylormade Landscapes crew are extremely efficient and professional. Their work is always exemplary. ”

Frequently Asked Questions

WHAT TYPES OF PROPERTIES DO YOU WORK ON?

- ▶ We service residential, single family homes. Whether it's a front yard or backyard or a courtyard, we 'Taylor' our solutions to fit.

DO YOU OFFER DESIGN SERVICES OR ONLY INSTALLATION?

- ▶ We provide both. Our team can work from your existing plans or help you design something from scratch, balancing form, function, aesthetics and budget.

HOW DO I KNOW WHAT PLANTS AND MATERIALS ARE BEST FOR MY SPACE?

- ▶ Our team considers your climate, soil type, sunlight, and maintenance preferences to recommend the right plants, hardscapes, finishes, etc.

IS YOUR WORK COVERED UNDER WARRANTY?

- ▶ Yes. All workmanship is covered under our service guarantees, and materials often come with their own manufacturer warranties. We'll explain the coverage at handover.

HOW LONG WILL THE PROJECT TAKE TO COMPLETE?

- ▶ This always is related to the scope of the work. The exact timing depends on factors like HOA approvals and material availability, but we'll provide a detailed schedule and keep you updated along the way.

Thank You

Thank you for considering us. We look forward to working with you!
